Step 2 Included Parts & Hardware

Check that you have all of the parts and hardware shown before starting.

Step 3 Remove the Fairlead Hardware

Remove the hardware from the fairlead with a 5/16 inch allen wrench.

Step 4 Disengage the Winch

If you have a winch, disengage it so you can pull the fairlead out a little.

Step 5 Position the Flag Mount

Place the flag mount between the fairlead and the bumper, facing a direction that clears your hoop.

Step 6 Reinstall the Fairlead Hardware

Reinstall the fairlead hardware and tighten it down.

Step 7 Engage Winch and Install Flag

Engage the winch and install your flag. Now go enjoy the off-road park.

Step 8 Final Check

That’s it! Make sure all of your bolts are tight and enjoy your new Fairlead Flag Mount! Be sure to check out jcroffroad.com for even more off-road products.

Step 9 Installation Complete

Congratulations, you have completed the install of your new Fairlead Flag Mount! Enjoy your new product.
